Deeply we love thee.... Faithfully serve thee

In spite of the discord
Around us this year,
We've had a harmonious one
Here at New Trier.

The Tax Referendum,
Dramatic Club plays,
College Exhibit,
Cool autumn days.

Winnetka's "gas out,"
Talent show,
Gym program,
Ice and snow.

"Iolanthe,"
Chicken a la king,
Walking Campaign,
Bradley's swing.

All this we offer
To echo the ways
In which we passed
Our New Trier school days.

NEW TRIER ADMINISTRATION

The New Trier students owe the administration and the Board of Education a great deal of appreciation for improving the school facilities and seeing that everything in the school runs smoothly and properly.

Mr. Matthew P. Gaffney, superintendent, has been working diligently for the past eleven years to achieve this. Through his efforts the school has attained an exceedingly high scholastic rating and he has striven continuously to better relations between the faculty and the students.

In recognition of Mr. Gaffney's work, Colgate University this spring awarded him the Doctor of Letters degree.

Miss E. E. Packer, Assistant Superintendent and Dean of Girls; Mr. F. A. Kahler, Dean of Boys; Mr. H. H. Herron, Registrar and Office Supervisor; and Mr. W. L. Brown, Business Manager, have all been of great help to Mr. Gaffney.

The administration has been assisted and encouraged by a fine Board of Education. The members of the Board have done everything in their power to make New Trier the finest school in the country.

The department head correlates the program of his own department with the programs of others. It is also his duty to integrate the courses within his own department and to supervise the selection of textbooks.

The adviser chairmen are the faculty sponsors of the classes. They are in charge of all class affairs, such as elections, parties, collections of class dues, appointments of class committees, etc. They also direct the program of the adviser room work throughout the year. Whenever any difficulty arises which, in the judgment of the adviser, should be referred to the administration, such difficulties go first to the adviser chairman. The adviser chairman is the connecting link between the adviser and the dean.

OFFICE STAFF

The precision and efficiency with which the school is operated would be seriously impaired were it not for the Office Staff. Many responsibilities are carried by this small but capable group.

Annually Miss Maloney obtains volunteers from among the senior girls to assist in the registrar's office at the counter and in the front office. Twenty girls are selected from the list and assigned one period per day.

Sponsorship and technical supervision of the Student Visual Education Service Staff is centered in the registrar's office. Delegation of authority and responsibility for this work has been placed in the hands of Mr. Charles Gibson who is assisted by seven New Trier boys.

TROELSTRUP

STUDENT

The primary aim of the Student Council is to increase the opportunity for students to live in a democratic society within the school. The Council has tried for years to promote the ideals and practice of democracy throughout the school by encouraging the individual student to accept his share of responsibility. It has applied these democratic ideals to school life in projects such as student supervised study halls and student forums. Its success cannot be measured in terms of one year's accomplishments, but must be regarded as a slow, gradual process over a period of years.

The Council began the year by selling the Activities Ticket and reached a new peak in the number sold. On the seventh of December the annual College Exhibit was presented jointly by Evanston's and New Trier's Student Councils with over 120 colleges and universities present. Council's newly organized Defense Committee began the sale of Defense Stamps at New Trier and promoted other types of war

work. A change was made the second semester when all seniors were afforded the opportunity of being members of student supervised study halls. Heretofore only students recommended by their advisers had been included. Also noteworthy achievements were the promotion of meetings among suburban councils to increase friendly relations, the social survey, and the work done on pilfering. Much credit for the successful year goes to Miss Hadden, Mr. Troelstrup, and Mr. Van Deursen, Council sponsors.

The girls of New Trier, working together with the Girls' Club Board and their sponsor, Miss Wright, have made possible another successful year for our club.

On the first day of school in September we sold sandwiches and cokes, netting quite a large amount of money. Hot dogs, cokes, and other refreshments were sold by the girls at the football games. We were exceptionally fortunate this year in having seven home games at which to sell.

The very important magazine drive, under the direction of our vice-president, Hope Harshaw, extended from October to Christmas. Inter-class and inter-adviser room competition was keen and resulted in gratifying returns. The ten girls with the highest individual sales records were rewarded with free ECHOES, and the next five girls received dollar certificates at the book store.

Early in the school year the senior and freshman girls had a grand time at the barn dance sponsored by the Girls' Club. Later, in October, a "get-acquainted" supper was held for the new junior and senior girls in the Girls' Club Room.

The two major banquets of the year were undeniable successes. The Friendly Banquet in October was held for all

the girls in school. The entertainment consisted of a program with members of the audience participating, and then a skit relating the "trials and tribulations" in the day of the average New Trier girl. In March both the mothers and daughters had a wonderful time at their banquet. For entertainment, selections were given by the Girls' Ensemble and the Verse Speaking Choir, followed by a group of mothers and daughters in two hilarious skits.

The Girls' Club, in cooperation with the other student organizations, participated in the Thanksgiving Drive, the Christmas Drive, and the Red Cross Drive. Through the efforts of the Employment Committee, many girls found positions in the neighboring villages. In the spring about $1500 was provided for those senior girls desirous and deserving of scholarship aid.

Near the close of the school year, the Girls' Club decided to curtail their usual activities and concentrate all their efforts toward helping with the National Defense Program.

TRI-SHIP CLUB

The activities of the Tri-Ship Club have, in its seventeenth year, been varied and extensive. In promoting these activities, the club has done a great deal to foster its three ideals of Citizenship, Sportsmanship, and Fellowship among its members, which includes every boy at New Trier.

Among these various activities, have been the Student-Faculty Party, the Parents' Day Football Game, five enjoyable Tri-Ship Dances, the Athletic Dinner, at which sports-commentator Bob Elson was the speaker, the all-student talent show, Lagniappe, the Father and Son Dinner with Dr. Harold W. Dodds, President of Princeton University as the speaker, a very successful Christmas Drive, and an important Red Cross War Drive. Several scholarships were again awarded to especially deserving boys, along with providing necessities to certain students who would otherwise be unable to remain at New Trier. The club again presented the Tri-Ship Award to the boy who, in the eyes of his fellow-students, most nearly exemplifies the three ideals of the club. This year it was awarded to Arnold Berlin.

Among the numerous service organizations sponsored by the Tri-Ship Club are the Usher Corps, the information desk boys, door and hall guards, traffic squad, library monitors, and the group of senior boys who have again helped in Freshman Boys' adviser rooms. The Class Chairman System and the adviser room representatives again functioned very successfully. Of the greatest value and assistance to the Tri-Ship Club again this year, were our two sponsors, Mr. Frisbie, and Mr. Gannaway.

New Trier's musical standards, which are known throughout the country, have been the outcome of the persistent work and effort of the musical department, under the direction of Mrs. Cotton. "Mama," as she is affectionately called, has been ably assisted this year by Mrs. Bradburn, Miss Anderson, Mr. Swigart, Mr. Schumacher, and Mrs. Phillips.

An important musical organization, though receiving little publicity, is the band, under the direction of Mr. Schumacher. It plays at all athletic events and assemblies and at the close of the year presents its annual concert.

Of importance, too, is the New Trier orchestra, which is one of the finest high school orchestras in the country. Under the direction of Mr. Swigart and "Mama" Cotton, it always manages to turn in splendid performances at the Christmas and Spring Concerts, opera productions and school plays.

Proudly wave the banner for our school

A highlight in the musical year is the Christmas Concert in which the Choral Groups, first and second Glee Clubs, Opera Group, Choir and Ensembles take part. December 14, was the twenty-fourth Christmas concert and marked a new high in New Trier musical productions.

After Christmas, the Opera Group concentrated on their forthcoming presentation, Gilbert and Sullivan's "Iolanthe." In true democratic fashion, the Opera Group chose the following cast: Nancy Rose and Betty Beck sharing the role of Phyliss; Dick Glenn, Strephon; Vesta Bond, Fairy Queen; John Darley and Dan Pettee, Lord Chancellor; Joe Elliff, Lord Mountararat; Bill Dalgety, Lord Tolloler; B. J. Moulding, Mary Lamb, Ruth Luecke, Patty Pickett, fairies.

The next musical event of importance was the Spring Concert. Music of the Nativity, heard in the Christmas Concert, was replaced by joyous light works suggesting spring. This concert was the last appearance of the choral groups and orchestra, and it marked the close of another successful year in the history of New Trier musical productions.

An organization giving opportunities for students of musical talent to perform and hear good music is the Senior Music Club. Sponsored by "Mama" Cotton, it is composed of the outstanding musicians at New Trier.

MUSICALE

Musicale was formed several years ago in an effort to acquaint New Trier students with the music of the Andrew Carnegie Musical Library and since that time it has served as a major attraction to students with musical interests.

This year, the club, under the direction of Mrs. Kidd, sponsored the very successful Concert Series which consisted of concerts by the Illinois Symphony, a recital by the Jubilee Singers, and a program of popular music featuring Will Bradley and his orchestra.

A very "Admirable Crichton" was presented last November and New Trier dramatics opened with a bang. Not to be outdone was the splendid cast that presented the difficult "Arms and the Man" in January. The sophomores and juniors came through with an excellent "What A Life" a short two months later. In everyone's opinion, this was a most successful season on the New Trier stage.

The credit goes to crews, classes and clubs, as well as casts. Few know that the Light, Stage, Props, Make-Up, and Costume Crews worked after hours and on holidays

to present the plays as the audience saw them. The training ground for New Trier talent was in the classes taught by Miss Stanwood, Mrs. Zeigler, and Miss Keith, and in the Actor's Guild. The Dramatic Club Board and committees were responsible for the excellent management of the business end of the plays.

This year there were several new items on the dramatic bill-of-fare. One was the curtain-raiser given before "Arms and the Man"; another, the presentation, away from New Trier, of Actor's Guild and major productions. Along this same line were the fine and little-publicized programs given by the Verse Speaking Choir.

Great thanks should be given to Miss Stanwood, Miss Keith, Mrs. Zeigler, Mr. Van Kirk, and Mr. Coburn, as well as to many teachers from other departments, for their excellent direction and guidance.

"Ladies of the Jury" was a particularly splendid finale to this year's work in dramatics.

They are the team from old New Trier . . .

ENGLISH CLUBS

The clubs at New Trier are run in much the same democratic way as Student Council, Tri-Ship, and Girls' Club. Although all the clubs offer opportunities for social gatherings and making friends, their sizes and purposes vary greatly. Some clubs are purely for recreation and pleasure, such as the Chess Club and Badminton Club, but at the same time they serve a more lasting purpose in building in their members the principles of good sportsmanship.

NATIONAL FORENSIC LEAGUE

Row 1: Appelbaum, Salaman, Schaffer, Dodd, Stake, MacLean.
Row 2: Beebe, Marmaduke, Dowd, Allen, Blackburn, Salaman, Manson.

Each club member is given an opportunity to voice himself in affairs he knows something about. It gives him a greater knowledge of his subject by a pooling of faculties and information in the group. The clubs develop greater enthusiasm on the part of the students for those subjects in which they have already shown some degree of interest; they give the student a chance to explore for work, that is, to investigate new and different fields of interest with an eye to a future occupation.

Row 2: Hagan, Lyford, Moser, Canning, Hollinghead, Workman, Steel, Smith.
Row 3: Nielsen, Lebeson, Bannard, Deno, Bercaw, Bengston, Burrows, Feinberg, James.

CLUBS

The special interest clubs are particularly for that purpose. The Radio Club is an excellent example. In that club the fundamentals of radio and radio engineering are studied and mastered and the student is given an excellent opportunity and background for more advanced work. The badminton and chess clubs, and the other clubs of that sort, have a different objective. They strive to promote good sportsmanship and character, and to build up the student mentally and physically, while at the same time he is doing something useful and having fun.

LENS CLUB

Row 1: Treveiler, Yowell, Rudich.
Row 2: Raymond, Stein, Watkins.

SCIENCE CLUB

Row 2: Peifer, Woolson, Reed, Lyons, Zebold, Wente, Marwick.
Row 3: Bergman, Nix, Loeb, O. Peifer, Noonan, Swarts.

Others, such as the Service Club, devote themselves entirely to serving the school. Giving up study halls or evenings, as the case may be, and seeking no recognition, they are one of the reasons that New Trier is rated tops among all the high schools of the country.

So Let the Foeman Beware . . .

LANGUAGE CLUBS

The language clubs are very active. In them the students of language not only become acquainted with the languages of various countries but also they obtain a better and deeper understanding of the peoples of those countries through study of their customs, costumes, and culture. The members, as a rule, find the food of these countries particularly enjoyable.

FRENCH CLUB

Row 1: Draper, Halldorson, Wooden, McConnell, Elling, Moody, Sears, Reeyer, Hobbs, Hirsch, Melvoin, Allport, Odh, Tuttle, Pomeroy, Zelznick.

When Ere they hear our Battle Roar

Of great value are the inter-scholastic meetings and tournaments in which our clubs participate. In these meetings they pool their ideas, and the members are able to profit greatly from them. The inter-scholastic tournaments, especially in the oratory clubs, are a spur to competitive spirit and help to retain active interest in their own particular field. Certain of the clubs, usually the scientific clubs, occasionally take field trips which are most helpful in increasing the understanding and appreciation of their specific subject.

GERMAN CLUB

Row 1: Glenn, Bonner, Fischer, Scarff, Canning, Allrich, Meyer.
Row 2: McDowell, Luecke, Donnelly, Hollis, Wuegner, Deno, Weber, Zander.

Some of the clubs might be called a tradition while others of them were formed quite recently. Among this year's additions are the Swing and Aeronautical Clubs. Of course, there are occasionally clubs which become dated and these are gradually weeded out, and the new ones replace them, so that New Trier's clubs are always up-to-date and active.

LATIN CLUB

Row 1: Day, Hammerman, Billow, Berlin, Heller, Soitzer, Butterworth, McMaster, Hobbs, Strauss, Glaser, Horner, Rosenthal,, Pearson, Hoehne.
Row 2: Blunt, Von Glahn, Small, Loewe, Court, Robinson, Kemp, Billings, Baker, Cleary, Taylor, Weke, Vedder, Antoville, Kaufman, Paul.

Row 2: Homes, Olin, Rand, Umbach, Kendall, Miss Casella, Wiegman, Skinner, Refgel.

CHESS CLUB

Row 1: Jerrard, McAfee, Ostergaard, Harris.
Row 2: Davis, Schumacher, Olsen.

Many valuable friendships have arisen through club meetings. These friendships are often deepened and broadened through the common interests of the members. As a rule the meetings are held once every two weeks, most of them being held at school in the afternoon after classes. The size usually varies from about ten members to over two hundred.

HOBBY CLUBS

The main function of some of the larger clubs, such as Career Club, is to invite guest speakers who are experts in some particular field to come and enlighten the members on the part their particular interest plays in the world and familiarize them also with the trials and tribulations of that particular subject, and the opportunities it offers. This year we have had some very fine speakers at the meetings.

ARCHEOLOGY CLUB

Row 1: Fisher, Kemp, Fleming, Diettrich, Allport, Billings.
Row 2: Harper, Morton, Rymer, Maston, Thayer, Ogden, Pile.
Row 3: David, Ritter, Anderson, Jacobson, Barnett, Kirschbraun.

GEOGRAPHY CLUB

Row 1: Babcock, Forstall, Nilsen, Knupfer.
Row 2: Taft, Stein, Vasels, Marwick.

A survey was taken this year throughout the school which showed that sixty-five percent of the students are members of New Trier's clubs. This is a twenty percent increase over the last survey which was taken two years ago. This increase in popularity is a favorable indication of the increasing interest among the students in school activities.

Row 2: Hagan, Bannard, J. R. Smith, Barthold, Lyford, Behnke.

ACADEMIC CLUBS

All New Trier clubs are sponsored by the Student Council which charters new clubs and discards ones which are becoming inactive. Council stabilizes dues and other club rules to fit into the school's extra-curricular activities. The social committee of Council handles the clubs while the whole of Council votes on any big club plans or new charters. Under this plan clubs are fit intricately into the school curriculum and are organized so that all members get the greatest possible benefits for their work in the groups.

All the clubs are democratic organizations within themselves. They elect officers to run the meetings, collect dues, and carry on the meetings as they see fit. Although clubs are mainly for enjoyment they also give a chance for outsiders, not active in all-school organizations, to be leaders. This leadership is very beneficial to many people in the school. Students learn how to work with teachers who are sponsors, besides having fun in all the well-planned meetings.

CLUBS

Some, such as the Latin Club or French Club, are limited to students taking those subjects in their academic programs. Though these clubs are primarily social, having parties and the like, they give the members added interest and background in their subjects. One of the main projects of the French Club is to put out the annual publication, "Le Flambeau."

THE INKLINGS

This year saw the inauguration of a new policy in regard to Inklings, New Trier's literary magazine. It was decided to publish only one issue a year, and emphasis will be placed more upon creative writing and constructive criticism than on only the publication of the magazine itself. For this purpose a class in creative writing, called Inklings Workshop, was organized the second semester by Mr. Peterson, the sponsor of Inklings. This class meets three days a week to gain experience in writing and from it will come the staff of next year's magazine.

Mr. Peterson and the staff feel that this new plan will be very successful, as this year's issue of Inklings was one of the best.

THE NEWS

The entrance of the United States into the field of world conflict found the New Trier News ready and on the job. Throughout the latter half of the year the entire staff devoted itself to helping the war effort by giving publicity to all types of defense projects. Realizing the gravity of the world situation the editorial pages of the News were given over to interpreting our role in the present crisis.

One of the cardinal aims of the staff this year has been to give the students more of a share in the publication of their newspaper; more students have been active this year than ever before. Along the same line a News-sponsored journalism class was started by the faculty sponsor, Mr. Arnold Bridges. The class, which gives minor credit, was started because of the necessity of training future editors. Meeting three times a week the class was able to learn many valuable journalistic lessons.

This year marked the beginning of a new type of News; up to this time most of the powers of the paper were centered in the hands of the editor-in-chief but under the new policy the various editors were responsible for their own individual departments. This decentralization process was for the most part responsible for the fine quality of the '41-'42 News.

In order to present the student body with a higher type of newspaper the feature staff worked overtime to find interesting material; the sports staff gave complete coverage to every major athletic activity; the photography staff labored long to produce fine and unusual photos. The news staff, in the face of increased activity around school, presented the student body with the factual information.

The entire News staff wishes to express their utmost gratitude to Mr. Arnold Bridges who is leaving us for service with the armed forces. Without his capable leadership and direction the News would never have become the fine newspaper that it was during the past year. We'll miss your cheerful countenance and deskful of chocolate bars "Arnie," old boy.

THE ECHOES

In this year's Echoes we have tried to portray as accurately as possible the interesting and important events of your school year. To do this we have instigated several new features. The adviser room pictures have been omitted entirely, and in their place there are the accordian fold class pictures with a large margin for autographs. This extra margin is also found in the senior picture section.

Light now our way . . . make strong our hearts

It is with deep regret that we bid good-bye this year to one who has been a continual inspiration and has given invaluable assistance throughout her many years of service at New Trier. Elizabeth E. Packer is retiring but her spirit will live on in the hearts of all who have known her. May her years of retirement be filled with all the good things of life.

Bernie Studios has been very cooperative in taking the senior pictures, the class officers, and the large group pictures.

The Pontiac Engraving and Electrotype Co. has done excellent work with the engraving.

Lloyd Hollister has done a fine job of printing the publication for us.

Our gratitude and thanks go to Bob Klagstad, a former editor, Mr. Waters, and Mr. Holland for their assistance in putting out this book.

We, the staff of the 1942 Echoes, have tried to make this the best issue ever. We sincerely hope that you will enjoy it, and that it will meet with your approval.

VARSITY FOOTBALL

There have been quite a few football teams in previous years at New Trier that have won more games and placed higher in the league standings, but not one had the competitive spirit equal to that of the 1941-42 team. As soon as the 1940-41 season was over these boys got together regularly and proceeded to make plans for the coming season. They organized the Father's Committee to promote more interest among the parents of the student body as well as to serve as a source of inspiration to themselves.

When the season began the Green Wave, as they were dubbed, started out with a real bang. Along with their bolstering spirit,

SEILER

the team had a series of fine new plays mapped out by Coach Aschenbach. Then after the first few games, something happened and things began to turn against our boys. Nevertheless, every team that was able to subdue the Green Wave admitted that it had been one of their toughest games.

New Trier felt very proud when it was announced that Don Raggio had made the All-State High School Football Team, and that Captain Ted Seiler, Tom Ryan and Ray Rapp had received honorable mention. Again there was reason to be proud when these same boys made the All-Suburban Football Team.

J. V. FOOTBALL

The boys on the Junior Varsity team play football because they enjoy the game, not because they receive glory, for seldom does anyone attend their games. This squad acts as a training team for the varsity squad and gives many fellows a chance to play who would not make the varsity. One thing that the Junior Varsity team has to its credit that none of our other teams have this year is a victory over Evanston. Captain Charlie Bayard says that two juniors who will be good varsity material next year are Steve Sawle and Chuck Smullen.

Freshmen Football

All the school has heard of the frosh-soph football team but few know anything about the "B" squad. The "B" squad is really the junior varsity of the frosh-soph team. It is composed mainly of freshmen and a few sophomores. This squad works especially on the fundamentals and training in football. "B" squad members never have interscholastic competition, but toward the end of the season they have inter-squad games to get some playing experience. "B" squad is really the reserve of the frosh-soph and deserves as much credit as the members of "A" squad.

This past season was a very successful one for the Frosh-Soph team, as can readily be seen by the records. This team came very close to winning the League championship losing only two games during the season. This team was not a flashy one; it was made up of a hard driving line, a fast but not independent backfield, a very fine Managers Corps, and most important of all, one of the best coaches in the land, Mr. Gadske, assisted by Mr. Coburn. The team was so excellent as a whole that it is hardly fair to set up separate players as superior to the rest, but since the backfield receives most of the field recognition, we think it is only fair to say that without this year's fine line we would have found the Frosh-Soph near the bottom of the heap.

As for the outlook for next year, it is very bright. Besides the several lettermen who will be returning, there are many Sophomores who will form the nucleus of the team, and you can never tell about those Freshmen.

J.V. BASKETBALL

This year's J. V. basketball team had a successful season under the able tutelage of Coach Chuck Lauer. After losing their first five games they swept to victory in their last five.

Standout performances were turned in by forwards Bill Markus, Eugene Hasselberg, George Wallace; centers Bob Cleary and Ed Donahue; and guards Nevin Bowser, Bill Zehr, and Dave Bruce.

The most outstanding game was the victory over Evanston which was gained by sheer fight and heart.

FRESHMAN BASKETBALL

Although their won-lost record was not particularly impressive, the Freshman Basketball squad proved to be difficult foes for their opponents. Losing the first five games by close margins, they snapped out of this losing streak and proceeded to win their last four combats. The team played a regular Suburban League schedule and worked Saturday mornings in conjunction with the Junior-Varsity team. Mr. Clader, the coach, expressed the opinion that this 1941-42 team was one of the pluckiest and most courageous teams in New Trier's history. He also pointed out that several Freshman players would be valuable additions to next year's Frosh-Soph team. Since your in solid with Mr. Lehman I can't say anything. Dean Franco

VARSITY BASKETBALL

The Varsity Basketball season of 1941-1942 proved to be one of the most disastrous seasons for New Trier in recent years. At the beginning of the season the outlook was not very bright because of the lack of seasoned material with only one returning letterman who was out most of the season due to sickness. The team won two and lost two games against non-league teams and ended up in the cellar of the Suburban League losing all twelve of its league encounters.

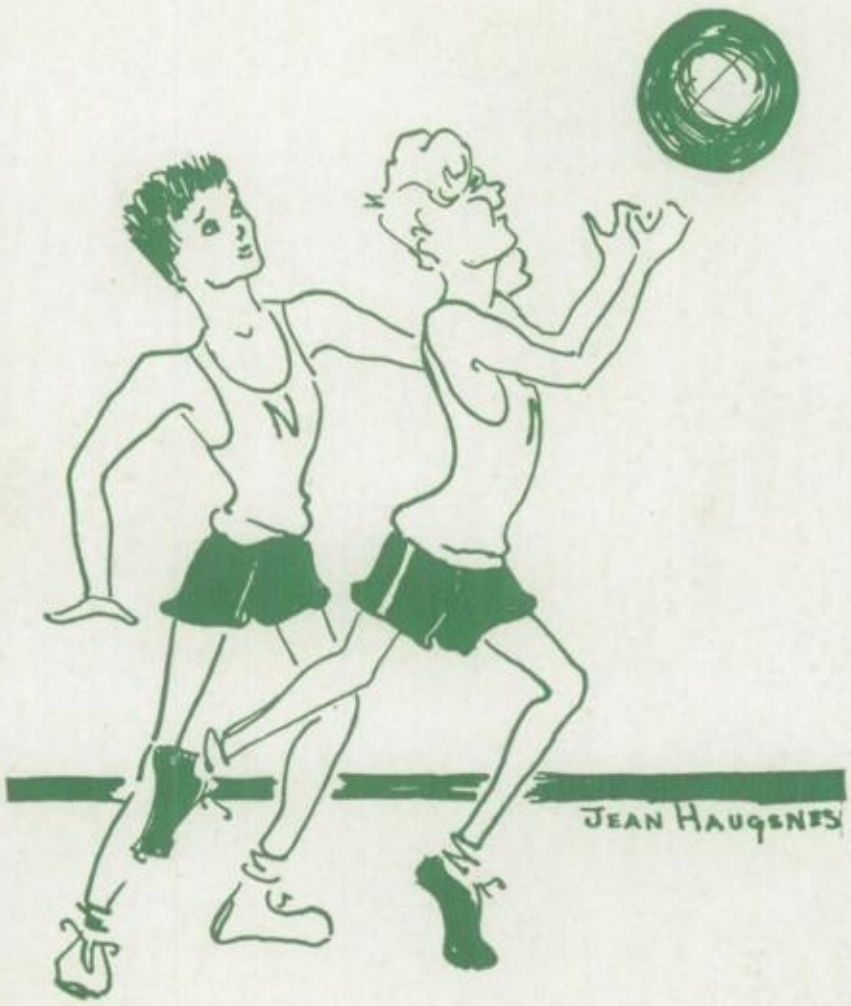
After Christmas vacation Coach Grater decided to start building for next season by using five juniors in the starting lineup, consisting of Red Delaney, Cal Titus, Kent White, Bruce Gatling, and Captain-elect Den Scully. Their first test was against the State Champs from Morton. To the surprise of everyone the Trierites were leading at the half 24-23. Then the Mustangs turned on the steam and ran up the terrific score of 60-36. The second half let-down was characteristic of the rest of the games. The Grey-Green cagers played their best game of the season against Evanston in the last game, in which their rally fell short by three points as the final score was 36-33.

The prospect for next year's squad is the brightest it has been in many years. There are seven returning lettermen including Willbur Hopp, John McNitt, Delaney, Titus, White, Gatling, and Scully. The latter two were mentioned for All-Suburban honors. These seven will have a real fight to hold their positions because of the strong J. V. team which is coming up.

A senior team of Bishop, Eccles, Coons, Raggio, and Lynch ably substituted the Juniors. Gudbrandsen, Chase, Jorgenson, Lasater, Edmonds, Miller and Glenn also saw considerable action.

JORGENSON

FROSH-SOPH BASKETBALL



The frosh-soph basketball schedule called for two games with each team in the League. The boys succeeded in defeating every one of these except Evanston, but they also lost to every one.

"Moose" Dunne, the only returning letterman, was a great help to the team with his drive and rebound ability at center. Carroll and Chacaron alternated at one forward while Fisher was usually found at the other. Harvey and McAllister, at the guards, rounded out the first team.

A lot of credit should be extended to Coach Ream who developed much new material.

FROSH-SOPH SWIMMING

As one can readily see, the frosh-soph swimming team came out on the top of the heap again this year. The successful season was not due to a small group of stars but to a versatile all-around team coached to victory by the competent Edgar "Grandpa" Jackson, Bud Happ, and Mr. Condon. This coaching combination is undoubtedly the best that any high school could hope to have. During the season the team had very few close meets because of their superiority and unusual spirit to win. They also showed their ability in the Suburban League Meet by breaking two records; one, broken by Art Watson, was the 75-yard free-style with the excellent time of 41.2 seconds, and the other was the 150-yard medley broken by Barnes, Robertson, and Watson, cutting off the old record of 1:32.6 by 2.2 seconds. These highlights, supported by all-around solid support, won the meet for them, ending the season in a blaze of glory.

VARSITY

ATTRIDGE

New Trier has had championship swimming teams as long as it has had a pool, but there never was a state championship team among them; that is, not up until this year. When the season opened the team did not look as good as the teams of previous years, because there did not seem to be any outstanding material left from last year's varsity team. However, the boys were undefeated up until the Oak Park meet, which was lost to a very fine team. Several people felt that this was a favorable experience, because it proved during the balance of the season that New Trier swimmers have the "will to win."

After the Oak Park meet, which lost them the Suburban League title, a change came over the team; they worked hard, and with a determined spirit retaliated and overcame the Oak Park team as well as the others by practically doubling the score in the annual Suburban League Interscholastic.

SWIMMING

Then the boys went down to Champaign, Illinois, for the state meet, intent upon giving Lane Tech, the state champs for the past four years, the toughest competition that they had ever experienced. This they did in no uncertain terms! In fact, they succeeded in tying Lane Tech for the championship. However, since New Trier won three first places to Lane's one place, the New Trier boys were considered superior. Every fellow did his part well regardless of where he placed. But we were especially proud of the two juniors who received first places, Graham Davis and Don Johanson. Then there was that two hundred-yard relay team of which Co-Captain Russ Attridge was a member. Co-Captain Hank Slamin swam on the medley relay team downstate, and, along with Russ, played a great part in keeping the morale of the team high. The coaches of the New Trier team, Mr. Jackson, Mr. Happ, Mr. Condon, and a new member, Mr. Gialombardo, are known to all of us for their outstanding ability. Those of us who are members of this year's squad will long remember and value the friendship and experience gained from these men.

THE SWIMMING GUARD

The swimming guard is one of the most important activities of New Trier but it receives no formal recognition. It is a voluntary group of boys and it is the backbone of the swimming organization.

These boys help teach swimming to grammar school children every Saturday from 9:00 to 12:00 o'clock. They guard every Wednesday evening for the adult classes and help at school parties and intramural swimming. The boys do excellent work headed by Bill Mizener, Mr. Happ, and Mr. Jackson.

FROSH-SOPH TRACK

The frosh-soph track team went through the entire indoor season undefeated and finished the season by winning the Suburban League Meet. This team showed strength in both running and field events.

High-point man, and undefeated throughout the season in both the high and low hurdles, was John Spink. Also placing in the League Meet were Warfield in the highs and B. Wood, who placed in the broad-jump as well as taking a second in the lows. Also running in the hurdles was Chireman.

A record was broken this year in our fieldhouse in the shot-put by Harvey. The old record was 51 ft. 7 in. and his record is 52 ft. 8 in. Harvey was second in the League Meet and Dunne was third. One of the best pole-vaulters the team has seen in many years is Ludford who not only tied for first in the pole-vault but also won the broad-jump in the League.

Another member of the team who went undefeated throughout the entire season was Free, who ran the 660-yard dash. Also running the 660 were Gershman, G. Wood, and Spoehr. The relay team, Jacobs, Corrigan, Ely, and Olson —three freshmen and a sophomore, respectively, ended well ahead of the other teams in the League meet.

VARSITY TRACK

It has been many years since New Trier has had a track team which was not able to take a high place in every meet, and this year's team did not let down this high standard. In the indoor season they have to their credit three wins, two seconds, and two thirds. But coaches "Uncle John" Nay and Paul Delaporte know that it takes plenty of good hard work to produce a team like this.

The team was strong in some events and weak in others. The first meet, with Hyde Park and Sullivan of Chicago, showed a great deal of strength in the running events, the three distance events, and the hurdles in particular, but a weakness in the field events in general. As New Trier entered in competition with the other schools of the Suburban League this division became more evident. The two third places came in the Suburban League Meet where we finished behind our traditional rivals, Oak Park and Evanston, and in the Oak Park Relays, in which teams from the entire state compete, where we finished behind Oak Park and Du Sable of Chicago.

One break from which the team suffered severely was the loss of their very promising co-captain, Lloyd Freelove, at the very beginning of the season.

On our track this year one record fell and one was tied. The former record in the 880 was set by Jack Jennings five years ago. Co-Captain Johnny Lundin broke the record this year by 1.7 seconds, setting the new mark at 2:04.2. The other record was in the 50-yard high hurdles which was set last year. Twice Rupert Hansen tied the mark of 6.4 seconds, but he was unable to break it.

Also running the 880 was Bob Enright who placed in the League Meet. Working on both the high and low hurdles with Rupert was Jim Clarke, who obtained many valuable wins and places. Unfortunately Rupe's Suburban League Championship was taken by an Oak Parker.

During the entire indoor season Dick Wood was undefeated in the mile run. This includes the Suburban League and the special mile of the Oak Park Relays. Bob Kent, always just a short distance behind Dick, took second in the League. Charles Cram, who usually had complete control of first place in the 440, was forced to take a second in the League.

New Trier's sprintmen were Ted Seiler and Ed Devlin. Al Gilbert and Adam Brewer represented the team in the shot put.

SCHWEGER

VARSITY

As the Echoes goes to press the 1942 edition of the New Trier baseball team has taken the field against very few of its opponents. However, from all indications, the team shows signs of definite ability.

This season saw the return of Captain Schweger, McIntyre, Slamin, Schaefer, and Graff. This nucleus of players was supported by several juniors and a host of seniors. Coach Aschenbach's chief problem seemed to be pitching because with all of last year's hurlers taken by graduation, experienced men were lacking. But there was one bright spot on the pitching squad in the person of Don Schaefer. Don, who had little hurling experience, took the mound against Proviso and Waukegan, holding both outfits to a mere four hits. Aiding on the squad, however, were seniors Bower, Anderson, and Smithers, and juniors Kusmertz, White, Thatcher, and Jacobson. The number of juniors on the squad indicates good material for our future teams.

BASEBALL

The infield was one of the better parts of the team. Hank Slamin at this point leads the team in hitting and runs batted in. His experience was invaluable in helping newcomers Speilman, at short, and Bishop, at first, to get settled. Rog Speilman was the surprise of the year and his speed and hitting was much welcomed. Returning to third base was Charley Graff. Ed Bishop played his initial season at first base and showed power on this spot. The infield found able replacements in Baldwin, Bayard, Happ and Cohn.

The outfield was one of the strongest in the league. In center field Capt. Rod Schweger was back for his third year of varsity baseball. As usual he hit well and his speed and powerful arm made him the enemy of opposing batters. In left field was Jack McIntyre who proved to be the team's long ball hitter. In right was little Joe Welter. Rapp, Ludwig, and Peterson also showed service. The duties behind the plate were in the hands of Jim Warren, a catcher possessing a good arm and varied experience. Also helping out at this spot was Stu Richmond.

FROSH-SOPH BASEBALL

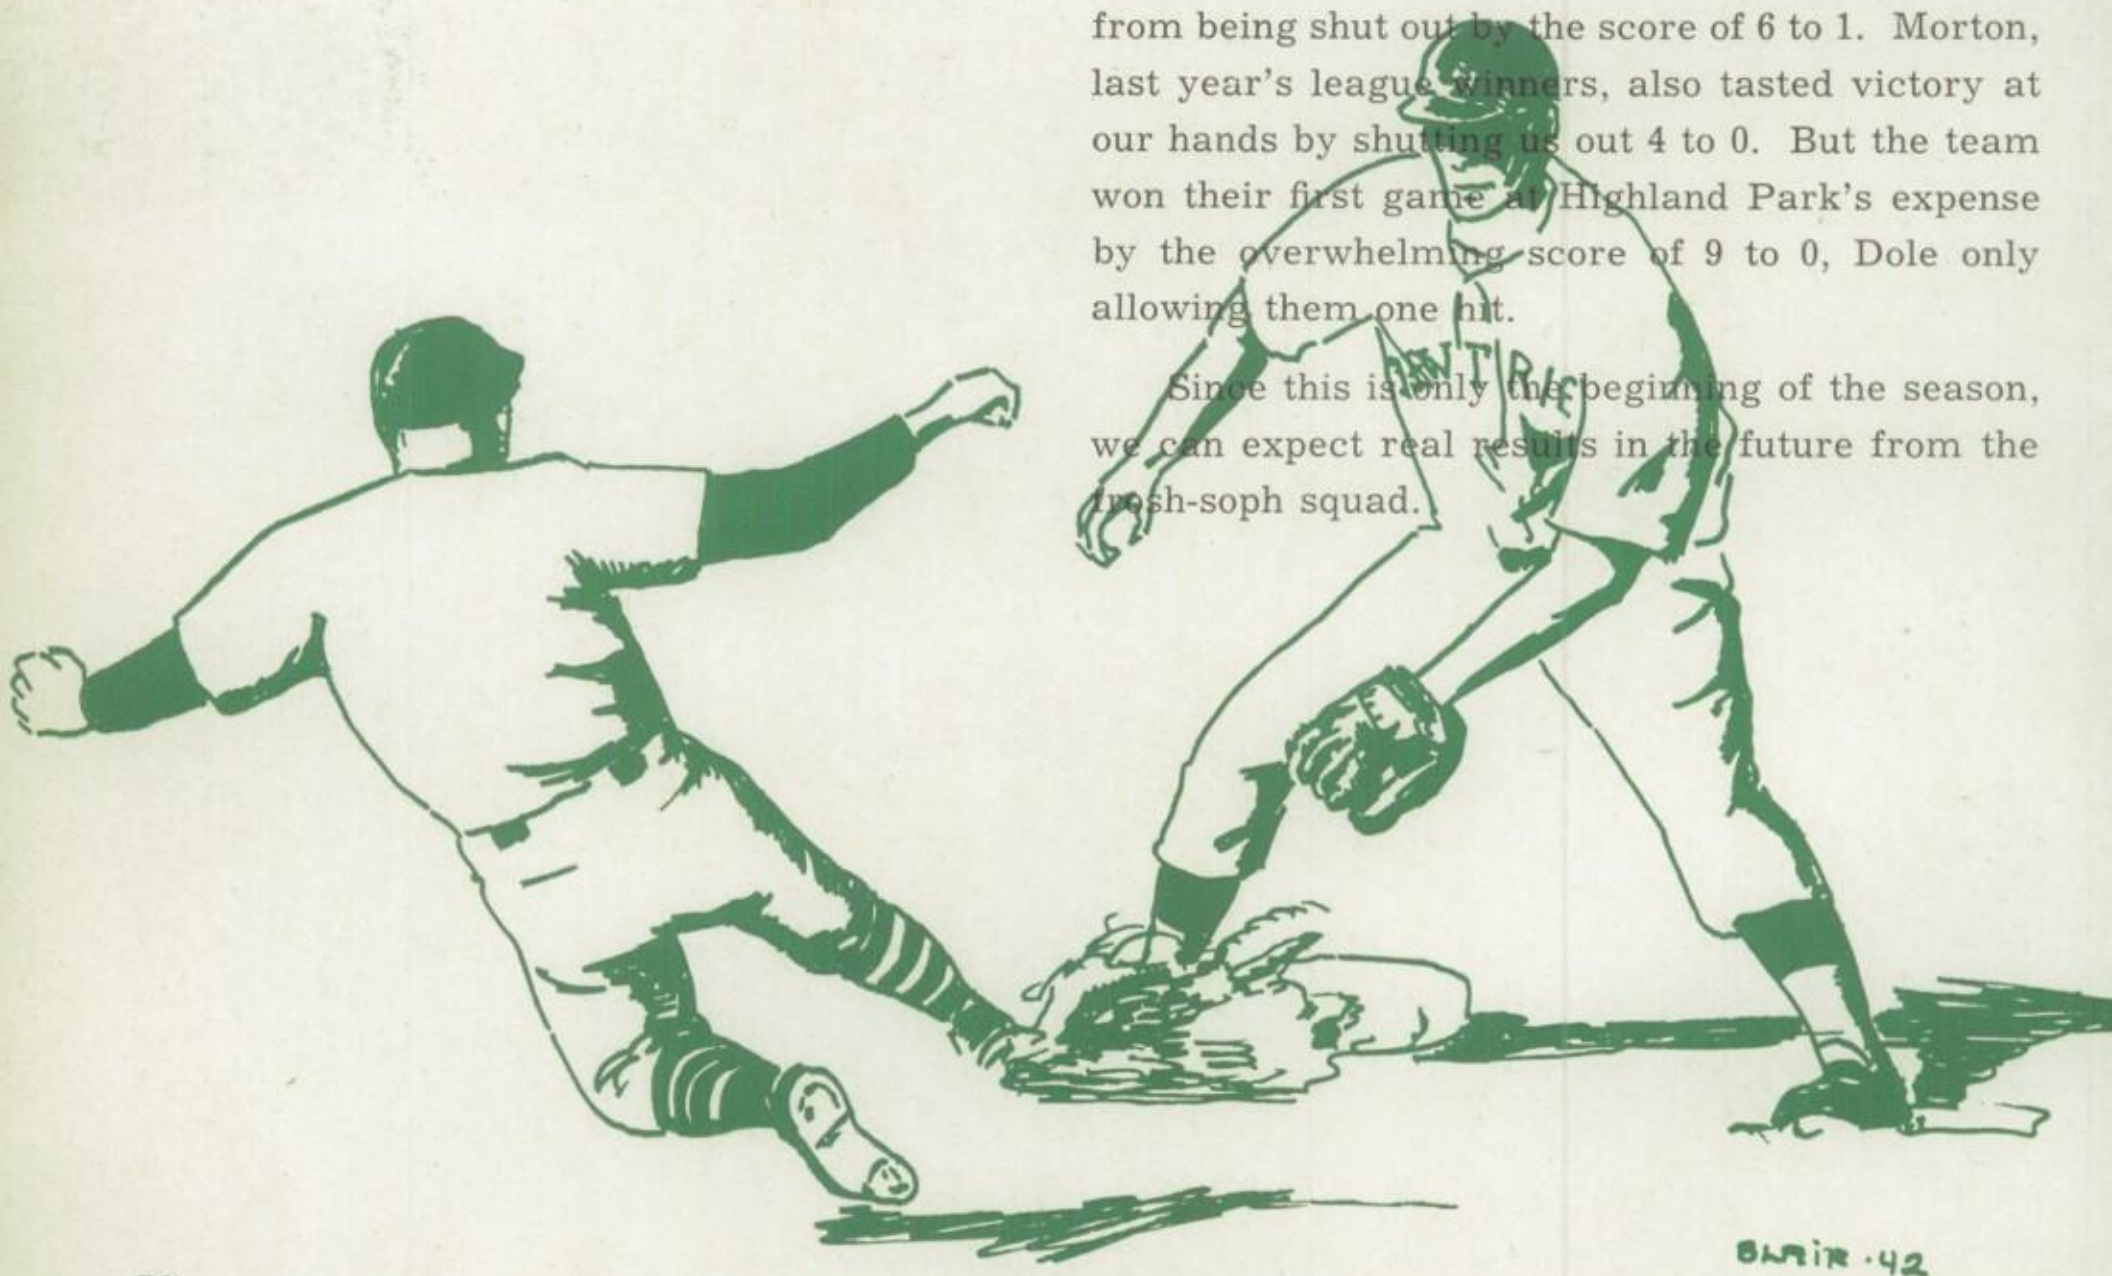
This year the frosh-soph baseball squad took the field under a new coach, Mr. Lionel Lightner, a new faculty member, who promises to turn out a scrappy ball club, if not a winning one.

Under his excellent leadership all players out for the team were given a chance to participate in intramural squad games even if they did not get to play in the scheduled league games.

Of the players who are returning from last year's squad there are only three letter-men, these being the battery of Mayer, pitcher, and Harvey, catcher, and Musson, whose superb fielding is one of the bright spots on the team.

Their first game of the season was shortly after the beginning of practice, against the powerful Oak Park team in which they managed to keep from being shut out by the score of 6 to 1. Morton, last year's league winners, also tasted victory at our hands by shutting us out 4 to 0. But the team won their first game at Highland Park's expense by the overwhelming score of 9 to 0, Dole only allowing them one hit.

Since this is only the beginning of the season, we can expect real results in the future from the frosh-soph squad.



GYMNASTICS GROUP

Gymnastics at New Trier has progressed in great strides. The excellent facilities have given our gymnasts the opportunity of engaging in a sport that does wonders toward building fine bodies.

As you know, gymnastics deals with the learning and execution of stunts on the sidehorse, longhorse, horizontal and parallel bars, flying rings, and tumbling. During the year our gymnasts have performed at basketball games, school assemblies, and in gymnastic meets at New Trier and many other schools. A gymnast's goal is to compete in the National A.A.U. gym meet.

In our continuous effort toward moulding fine character, good sportsmanship, and individual achievement, we can say that gymnastics does its share.

SIGMA GAMMA SIGMA

A new organization of future magnitude is contained in the "Sigma Gamma Sigma" club organized and controlled by varsity letter winners, under the careful sponsorship of Mr. Deforest Shawley. The club was formed in an effort to increase athletic morale, and integrate varsity athletics. Immediately after its formation, the organization took on the direction of I-M sports as a regular job. The officers selected five board members to direct each major I-M sport and also to guide the club's other activities. The membership of the organization is limited to letter winners of the previous school years. Provision however, has been made for senior varsity letter men.

The officers this year are: Addis Jones, president; Don Raggio, vice president; Henry Slamin, secretary; and Russ Attridge, treasurer. Board members include Rap Rapp, football; Bob Jorgensen, basketball; Rupe Hansen, track; Don Schaefer, baseball; and Graham Davis, tennis.

GOLF AND TENNIS

New Trier's golf team started out the year with hopes of equaling the unblemished record set by the 1941 squad. They had just gotten started when they had two "off" days and were beaten by McHenry and the strong Highland Park squad. These defeats practically insured the loss of the Suburban League championship for our boys. One particularly bright spot to be remembered is the sound licking our team handed the Evanston team 11½-3½. The team average was a 78 for that match. In spite of the two earlier defeats the team has hopes of taking the State Championship, in spite of Highland Park. The number 1 to 9 men are respectively Judson, Davis, Mazzetta, Scully, Atwater, Gillengerten, Wood, Lattanzi, and White. The outlook for next year's team is very bright with all but Mazzetta, Gillengerten, and Lattanzi returning. Bob Judson turned in the lowest score of the season, a 75.

As the Echoes went to press before the season really got under way, final results of the tennis team cannot be published.

This year's tennis season looked to be the most promising since the state championship team in 1935. Led by Howe Atwater, Bob Davis, Addis Jones, and captain Joe Anthony, the team will travel downstate in an attempt to bring back the coveted state trophy. Last year's team placed second in the state meet, and since many team members returned this year we believe that the squad will tower above this triumph.

Mr. Clader, coach, and Sam Abrams, manager, have aided tremendously in the team's winning spirit as have Steve Chase, Andy Goodrich, John Shafer, and Sprague Eddy, the other members of the team.

BOYS' INTRAMURALS

Varsity athletics are not the only active sports groups in New Trier. A great part of our competitive spirit is found in the intramural activities. This is made up of competition in many different sports during the whole year among the adviser rooms as groups or just a few representatives of these rooms. Something new was added this year, however! Never before have the advisers been permitted to participate in intramural activities, but this year they were allowed to enter all the group competition. It tended to raise the morale and the spirit to a height never attained here before.

The school champions in touch football last fall were the members of Mr. Gadske's adviser room and the lightweight was won by Mr. Reynold's room. The arrival of the basketball season again enabled Mr. Gadske's boys to walk off with the prize, this time in the heavyweight division of that sport. Again Mr. Gadske's boys triumphed, this time in the volleyball competition.

In addition there are the school champions who are either sole representatives or groups from the different adviser rooms. In the football skills are punting for accuracy, won by Henry

Slamin; punting for distance, by Ray Anthony; drop-kicking, by John Mack; football run for time, by Bertil Peterson; and passing for accuracy, by Ed Kolb.

In the track relays the one-lap relay was won by Mr. Aschenbach's representatives, Drey, Petty, Millard, and Brown. The two-lap relay was won by Delaporte's adviser room with Happ, Murphy, Currie, and Spielman running. The three-lap relay was also won by Mr. Delaporte's boys, this time with Moyer, Smith, Peterson, and Sherman running. The 50-yard shuttle relay was won by Delaporte's group, represented by Engels, Roshong, Bowser, and Wallace. In the novice track meet the pole vault was won by Ludford, the high jump by Peterson, the shot-put by Harvey, the 50-yard dash by Heffernan, the one-lap run by Herlocker and Torrey, a tie, and the broad-jump by Hoffmeyer.

The handball doubles champs are Niggemeyer and Mr. Wehr (adviser), the table-tennis singles champ is Kassell and doubles champs are Jacobsen and Pancoe. The tennis doubles was won by Stenson and Lourie. The golf competition was won by G. Wood and Dunne and Mr. May (adviser) won the horseshoe doubles.

There were still some intramural events yet to be finished at the time the yearbook went to press so this list is incomplete.

GIRLS' ATHLETIC ASSOCIATION

Due to the outbreak of the war G.A.A. has met many added responsibilities and has formed a different outlook on many of its activities. This year more than ever before physical education has been stressed as an important factor in the defense of our country. One of the foremost steps taken for this defense project was the Walking Campaign, the purpose of which was to save tires, cars, stimulate awareness of the critical situation and to build up our bodies as a second line of defense.

The success of the party at which the new girls acquainted themselves with the officers and with each other was only the beginning of many successful events. Next came the Hockey Playday. Girls from Oak Park, Evanston, Highland Park, and Roycemore, as well as girls from New Trier represented their respective schools. The girls played hockey and speedball and after the games they trooped up to the Girls' Club Room for hot chocolate and doughnuts, hungry from their strenuous workout. These schools returned the invitation and at the end of the fall season the girls had made many new friends.

One of the biggest and best events of the year was the mid-year banquet. Following a delicious supper the girls received awards which they had earned during the year. Uproarious skits were given by class representatives. The most enjoyable skit was the one given by the Board which was likened to Miss Boulton and her senior gym classes.

Events of a more serious nature followed. Among these were the nutrition exhibits which were sponsored by G.A.A. and shown at various parent nights. Sue Cassel was in charge of this project which went hand in hand with the Walking Campaign for the defense program.

With spring came the initiation of new girls into G.A.A. which was enjoyed by all, even by the initiates, though they wouldn't admit it. The Spring Banquet was the climax of initiation. The initiates gave skits after the supper and the officers for the coming year were announced. It was an evening which everyone enjoyed greatly, but it also held a note of significance and meaning for every girl who attended.

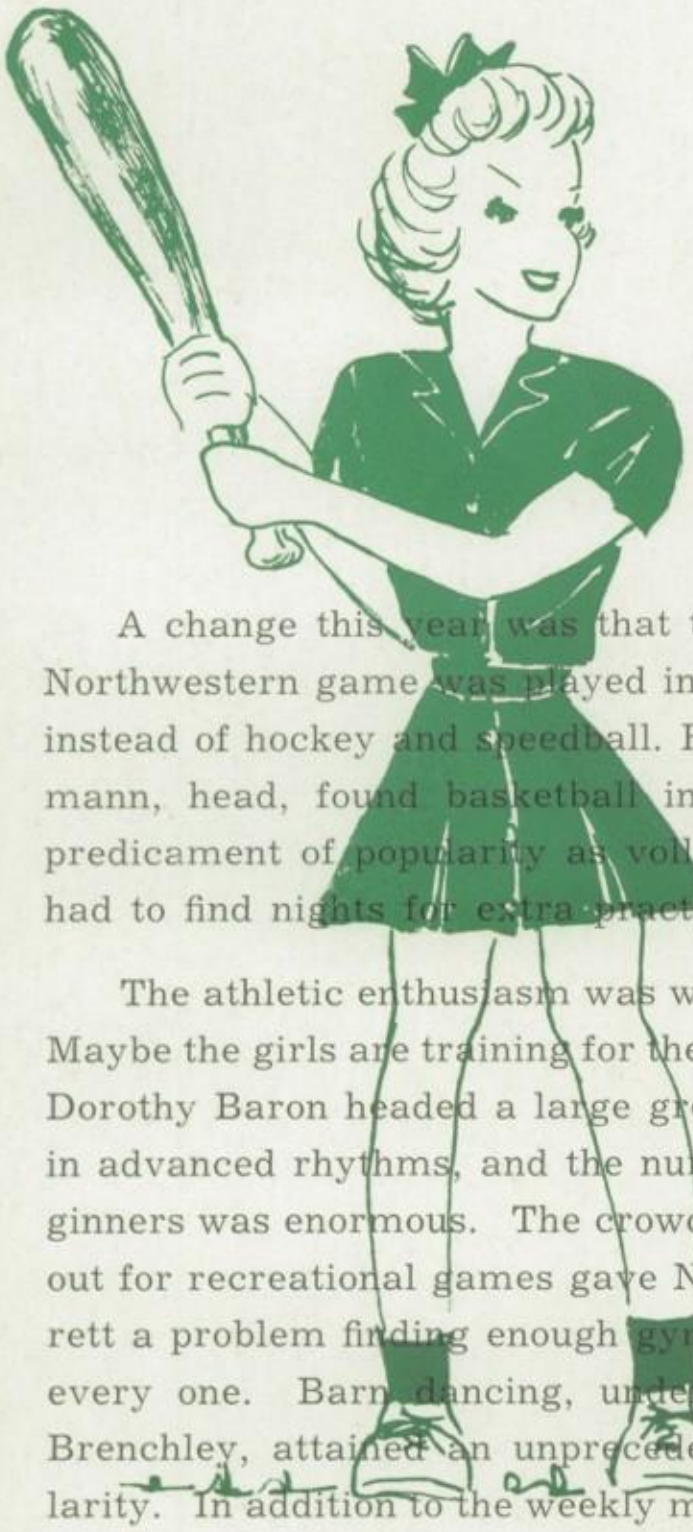
Although Chorale Cook and her amateur Bill Tildens were rained in last fall, (they made up for it this spring), the weatherman was kind for a bit, and the day of the Speedball and Hockey Playday was bright and sunny. Four schools were represented, and when teams were made up, the girls were so thoroughly mixed that the nearest familiar face was usually fifty yards behind.

When Old Man Winter drove us all indoors, enthusiastic participation in sports continued. Volleyball head, Betty Williams, found her sport so popular that extra practice nights had to be scheduled.



A change this year was that the Illinois-Northwestern game was played in basketball instead of hockey and speedball. Ruth Reichmann, head, found basketball in the same predicament of popularity as volleyball, and had to find nights for extra practice.

The athletic enthusiasm was wide-spread. Maybe the girls are training for the army, too. Dorothy Baron headed a large group of girls in advanced rhythms, and the number of beginners was enormous. The crowd that came out for recreational games gave Nonnie Starrett a problem finding enough gym space for every one. Barn dancing, under Margaret Brenchley, attained an unprecedented popularity. In addition to the weekly meeting, two parties were given. One was led by dancers from Tennessee and the other was a student-faculty dance at the end of the season. We were so good that a group of our dancers demonstrated barn dances at the Union League Club in Chicago.

The freshman class this year participated in many events. The fathers and sons had mixers in the gym to get acquainted with each other and New Trier's athletics this fall. In the spring the girls' adviser rooms gave teas for their mothers which proved to be very successful.

Each freshman adviser room had a senior student who assisted the adviser. This system was a great help at the first of the year when the freshmen were just becoming acquainted with New Trier.

All the freshmen were offered opportunities to join various clubs in which they were interested. The field of sports was also opened to them.

The freshmen are very grateful to Miss Shaw and to Mr. Reiley, the adviser chairmen, and to the other members of the faculty who helped them during their first year at New Trier.

The main function of the sophomore class is the planning of the sophomore party. The officers did a fine job of staging it, and everyone had a wonderful time. A great deal of credit goes to the sophomore adviser chairmen, Miss Hurst and Mr. Grinnell, for the effort they gave toward making the get-together a real success.

We could not write about the sophomore class without mentioning the advisers. These same advisers, Miss Hurst and Mr. Grinnell, have been of great help to us throughout our high school career, and have done much to improve the status of the entire class.

Although there is not a great deal of work for the officers to do, other than conducting class meetings and managing the party arrangements, they have been a credit to their class, and have proven themselves competent to help carry on the work of the upperclassmen next year.

"Proudly wave the banner for our school"

JUNIORS

SEARS
President

SPOEHR
Vice-President

MARKUS
Treasurer

BARNETT
Secretary

Under the able leadership of their officers, the junior class has been busily engaged in accepting the responsibilities of upper-classmen. Their Junior Prom, held at the close of the year, was proof of the capabilities of this class. Held for the first time at the Kenilworth Club, the dance was a social highlight of the year. Open only to juniors and seniors, the Prom, as usual, was a program dance and no stags were admitted. Its unprecedented success was due to the tireless efforts of the class officers and social committee members.

Juniors, also, were proud of their outstanding participation in school activities, their whole-hearted support of all defense measures, and their determination to uphold the standards set by former classes.

The junior adviser chairmen, Miss Brady and Mr. Vernon feel certain that this year's class is capable of undertaking all future responsibilities entrusted to them, and that they are well suited to the role they must play next year as the leaders of the school.

WINDOES

T.N.T. is an organization whose purpose it is to recognize unusual ability and leadership on the part of students at New Trier. Scholarship, activities, and service are factors in the selection.

The name T.N.T. stands for the Latin "Tenax Nobile Triumphans" standing for steadfast, noble, victorious. Membership in this organization is held to be the highest honor attainable by a student at New Trier. This year's officers of T.N.T. were President Arnold Berlin; Vice-President Bob Drucker; Secretary-Treasurer Nancy Farwell.

Miss Elizabeth Packer's years of untiring devotion and service to New Trier were acknowledged this year when she was awarded an honorary membership to T.N.T.

The Tri-Ship Award, the school's highest appreciation of a student's service and benefit to the school, was presented this year to Arnold Berlin.

The D.A.R. Award was won this year by Nancy Dunn. It is decided by the vote of every girl in school.

Row 4: Wiese, Clarke, Rapp, Berlin, Lundin, Gilbert, Lippincott, Scarff, Steitz, Mathias, Royce, Davis, Darley, Drucker, Bower, Hildebrand.

HONOR SOCIETY

The Honor Society, which has existed almost ever since the beginning of New Trier, is composed traditionally of all the students who have obtained an average of 3.20 or more, during the first seven semesters. The number of students chosen is never below 10% of the class, but this year the senior class is proud to be one from which almost 20% were chosen for this group. Out of a class of 575, 100 honor roll students were elected to this year's Honor Society. This is something to be proud of, as the scholastic record of New Trier has been consistently improving, culminating in the excellent representation of this year's class.

HONOR SOCIETY (GIRLS')

THE SENIOR CLASS

The senior class of 1942 has ended its four years at New Trier with an excellent record. Under its direction many changes have taken place which will long be remembered.

Honor study halls were organized in which the whole senior class was placed under student supervision. The class has shown its fine sense of cooperation and ability to carry out new plans in the success of these study halls.

SENIOR ADVISERS

Forty seniors were given the job of acquainting the underclassmen with the government's plan for nutrition. These seniors took charge of this drive through adviser rooms during an extensive eight-week program.

Due to the financial press of the war, the senior girls decided not to wear corsages to the Senior Hop but each girl received a flower for her hair at the door.

Miss Maloney and Mr. Kahler, the senior adviser chairmen, have been of invaluable service to the class in helping and advising them at all times.

Bob Wade was lost to the class of '42 on April 25th. While in school Bob was especially fond of baseball, basketball and was a member of Junior Varsity football squad, and engaged in many Intra-Mural sports. His ability to draw was shown by his cartoons which appeared in several daily papers. A map of Mexico hangs in the Foreign Language office which Bob made during his Sophomore year.

All through his long illness his was a bright and brave spirit and he will always be remembered by his many friends.
